Robin opened with prayer and acknowledged the land on which we do our work. C-A shared the Story of Tecumseh.

Folks were invited to introduce themselves.

C-A gave an overview of Mission and Support funds that were to be allotted at the meeting.

C-A reviewed the ARW priorities: 1. Social Justice. 2. Camps and Youth. And 3. Living into Right Relations

The following grants were discussed and approved

Social Justice:

Applicant	Grant Requested	Grant Approved
Downtown Mission	\$25,000	\$25,000
London Community Chaplaincy	\$18,000	\$18,000
ELUCO East London UC Outreach	\$15,000	\$15,000

Camps and Youth:

Kee-Mo-Kee	\$20,000	\$15,000

* For the discussion on Pearce Williams both Richard Auckland and Glenda McMillan declared a conflict of interest and they did not contribute to that part of the discussion.

The group decided that they would use \$5000.00 of the Mission and Support funds to have a gathering of camp boards sometime this year to look at long term viability of all the ARW camps. As facilitator/speaker would be hired to run the gathering.
